34	Technical data

This is how much has gone in.

The pleasure you get from driving a BMW is the result of fine engineering – always setting the benchmark because it is based on much more than engine power. This is the thinking behind BMW's programme of EfficientDynamics. A change in philosophy, this programme of technologies helps to make positive changes in reducing CO₂ emissions and improving fuel consumption whilst enhancing driving dynamics. Changes for both today and tomorrow. Today's solutions include Brake Energy Regeneration, an innovative process for harnessing energy previously lost. As for tomorrow – even more advanced technologies to improve emissions and fuel consumption as we move towards BMW's vision of CleanEnergy and the use of hydrogen-powered engines. Nothing lost, but much gained. BMW EfficientDynamics: pushing the boundaries in terms of performance and dynamism – without compromise.

Auto Start-Stop

BMW four-cylinder engines with six-speed manual transmission automatically shut down when the vehicle is stationary, for example at a red light or in traffic, when the driver shifts to neutral and releases the clutch. The engine restarts as soon as the clutch is activated again. This innovation significantly reduces fuel consumption especially in city traffic. (Standard on sDrive18d, xDrive18d, sDrive20d, xDrive20d.)

Optimum Shift Indicator

Timely gear shifts are one of the most effective and easiest ways to save fuel. This is where Optimum Shift Indicator in conjunction with six-speed manual transmission comes in. It shows the driver the most fuel-efficient gear to select for any driving situation. (Standard on sDrive18d, xDrive18d, sDrive20d, xDrive20d.)

Brake Energy Regeneration

The alternator disengages automatically when the battery is fully charged, only re-engaging when the battery needs charging. In addition, the system engages automatically when the car's brakes are applied or when coasting, to recycle otherwise wasted energy. (Standard on all models.)

And this is what comes out.

BMW already offers 82 models* with CO₂ emissions of 140g/km or less. But that's just for starters. We're carrying on our research – in the quest to bring you more driving pleasure and less consumption.

* In the UK and Republic of Ireland.

Certain BMW EfficientDynamics features may be excluded depending on the optional equipment chosen. Your BMW Dealer will be pleased to provide you with more information.

BMW X1.

BMW (UK) Limited reserves the right to alter prices and specifications without notice. BMW (UK) Limited has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

Key

Figures in () apply to cars with automatic transmission.
Insurance group figures refer to – 20 Group Rating System / 50 Group Rating System.
¹ = Only available with automatic transmission.

VED rates

Annual VED rates for brand new cars are determined by their CO₂ emission figure.

BMW X1 models fall into one of the four categories listed below:

CO ₂ emissions g/km	Band E 131-140	Band F 141-150	Band G 151-165	Band H 166-175
Vehicle Excise Duty	£120	£125	£150	£175

On the road price

The recommended on the road price includes:

Delivery and BMW Emergency Service	£655
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty (12 months)	See left

X1 sDrive18d SE / sDrive20d SE

Engine

- Catalytic converter
- Diesel Particulate Filter (DPF)
- Digital Diesel Electronics (DDE)
- EU5 emissions management
- Four-cylinder in-line diesel engine with common-rail technology
- Oil level display on dashboard
- Turbo

Transmission

- Six-speed manual transmission

Wheels and chassis

- 17" light alloy Star-spoke style 317 wheels with 255/50 R17 non-run-flat tyres
- BMW Mobility System
- Disc brakes – front and rear, ventilated
- Electric Power Steering

Safety and technology

- Airbags comprising:
 - Crash sensor activating central locking release, hazard warning lights and interior lights, and disabling vehicle electrics & fuel system via safety battery terminal clamp
 - Driver and front passenger, front and side
 - ITS head airbags, front and rear
 - Passenger airbag deactivation, front
- Alarm system (Thatcham 1) with remote control and engine immobiliser
- Anti-roll bars, front and rear
- Brake Force Display
- Central locking for doors, boot and fuel flap, activated via remote key or cabin switch
- Child locking system, rear doors
- Deformation zones – front and rear with door reinforcements and bumpers that regenerate to their original shape in impacts of up to 2.5mph (4km/h)

Safety and technology (cont.)

- Dynamic Stability Control (DSC) comprising:
 - Anti-lock Braking System (ABS)
 - Automatic Stability Control (ASC)
 - Cornering Brake Control (CBC)
 - Dynamic Brake Control (DBC)
 - Dynamic Traction Control (DTC)
 - Electronic Brake-force Distribution (EBD)
- First Aid kit and warning triangle
- Foglights, front and rear
- Halogen headlights with daytime running lights, welcome light and Follow-me-home function
- Headlight height adjustment
- Head restraints – front and rear
- Heated windscreen washer jets
- High level LED third brake light
- Incorrect fuelling protection system
- Park Distance Control (PDC), rear
- Seat belts – front, inertia reel with pyrotechnic belt latch tensioner, and belt force limiter
- Seat belts – rear, three with inertia reel
- Side impact protection
- Tyre Puncture Warning System (TPWS)
- Wheel bolts, locking

Seats

- 40:20:40 split-folding rear seat with manually adjustable backrest angle
- Child seat ISOFIX attachments, rear
- Electra cloth upholstery
- Standard seats, with manual adjustment for height, fore and aft position, recline angle and headrest height and angle

Exterior equipment

- All round anti-corrosion system with partial hot galvanising, phosphate treatment and cathodic dip painting, preservation of hollow cavities, underfloor protection
- Door handles, body-coloured
- Exhaust tailpipe – single, stainless steel
- Exterior mirrors - aspheric on driver's side, heated and electrically adjusted, with housing in body-colour
- Indicator lenses, clear
- Kidney grille, chrome with black vertical slats

Interior equipment

- Air conditioning, automatic with two-zone control
- Armrest - front, with sliding adjustment
- Battery in luggage compartment with jump-start facility in engine bay
- Boot space illumination
- Courtesy lights front & rear
- Cup holder in centre console
- Door sill finishers with BMW designation
- Electric windows - front and rear, with open/close fingertip control, anti-trap facility and comfort opening/closing function all round
- Floor mats, velour
- Glove compartment, illuminated
- Grab handles – four with coat hooks in rear
- Handbrake lever grip and gear lever knob in leather
- Instrument binnacle with speedometer, tachometer, fuel level and fuel consumption
- Interior trim, Satin Silver
- Luggage compartment - illuminated with four lashing eyes in boot floor and additional storage on each side and under floor
- Luggage compartment cover - two-part hinged shelf, removable
- Power sockets - one 12V in front centre console and one 12V in armrest compartment
- Rear-view mirror with manual dim switch
- Sport multi-function leather steering wheel
- Start-Stop button
- Steering column with manual reach and rake adjustment
- Storage compartments in centre console, dashboard and front interior door panels
- Sun visors with ticket holder and vanity mirror
- Windows - heat-insulated, tinted all round

Audio and communication

- Auxiliary input for auxiliary playing devices
- BMW Professional radio with single CD player (with MP3 playback capability)
- Loudspeaker system with six speakers
- On-Board Computer (OBC) with information on average speed, average fuel consumption, fuel range and ambient temperature

X1 xDrive18d SE / xDrive20d SE
Equipment in addition / replacement to sDrive18d SE / sDrive20d SE

- Exhaust tailpipe - single, stainless steel with chrome finisher
- Hill Descent Control (HDC)
- Satin Aluminium roof rails
- xDrive four-wheel-drive system with fully-variable torque split
- xLine package comprising:
 - Satin Aluminium finisher to lower section of front & rear bumper
 - Satin Aluminium finisher to door sills

X1 xDrive23d SE
Equipment in addition / replacement to xDrive18d SE / xDrive20d SE

- 17" light alloy V-spoke style 318 wheel with 255/50 R17 non-run-flat tyres
- Ambient lighting
- Exterior trim, Chromeline
- Footwell lights, front
- Illumination for vanity mirrors
- Kidney grille, chrome with Matt Aluminium vertical slats
- Median cloth upholstery in anthracite, with contrast inserts in a choice of three colours
- Reading lights, front & rear
- Rear-view mirror, automatically dimming
- Six-speed automatic transmission with electronic gear selector, and with Steptronic function controlled via rocking the gear selector or via steering wheel paddles
- Soft on/off dimming for courtesy lights, front & rear
- Two-stage twin-turbo

Transmission

Automatic Transmission	205	–	–	–	○	●	£1,370
Six-speed automatic transmission with Adaptive Gearbox System (AGS); includes Sport automatic mode and Steptronic sequential manual gear selection. Includes steering wheel paddles for additional manual operation of the Steptronic mode on xDrive23d SE.							

Wheels and chassis

Performance Control	2VG	–	○	–	○	○	£105
Electronically distributes drive between the rear wheels for added agility. Included in 226.							
Run-flat tyres	258	○	○	○	○	○	£175
Tyres with reinforced side walls which allow the vehicle to continue driving safely after a complete loss of pressure, for up to 150 miles. Already standard in conjunction with optional 18" wheels.							
Sport suspension	226	○	○	○	○	○	£195
Stiffer spring and damper setup giving tauter body control and reduced body roll. Vehicle ride height is not lowered. When specified on xDrive models, 2VG is included.							
			○		○	○	£230

	sDrive18d SE	xDrive18d SE	sDrive20d SE	xDrive20d SE	xDrive23d SE	Price
--	--------------	--------------	--------------	--------------	--------------	-------

Safety and technology

Adaptive Headlights	524	○	○	○	○	○	£275
Offers improved visibility by following steering angle of the front wheels, giving better illumination of the road ahead through corners. Not active when reversing, or in situations which would dazzle oncoming traffic. Cornering light effective at suitable steering angles at speeds of up to 45mph (65km/h). The cornering light is activated at speeds below 22mph (35km/h) when direction indicators are in use. Only with 521 / ZXA and 522.							
Cruise control with brake function	544	○	○	○	○	○	£225
Operated by a steering column stalk, cruise control maintains a constant driver-set speed not only by controlling the throttle, but also by braking intervention when necessary.							
High-beam assistant	5AC	○	○	○	○	○	£105
Automatically switches between low and high beam when there is oncoming traffic/changing light conditions. Only with ZXA, or with 430 / 431 and 521. Not with 319 / 4NA.							
Park Distance Control (PDC), front	508	○	○	○	○	○	£205
Audible warning of proximity to obstacles at the front of the car when manoeuvring, supplemented by visual display in conjunction with option 606 / 609. Identical system is already fitted standard at the rear. Included in ZXA.							
Rain sensor with automatic headlight activation	521	○	○	○	○	○	£90
Wipers are activated automatically, and the intermittent delay is varied in response to the degree of rainfall – sensitivity can be easily adjusted by the driver. Headlights are switched on and off automatically in response to changing light conditions. Included in ZXA.							

		sDrive18d SE	xDrive18d SE	sDrive20d SE	xDrive20d SE	xDrive23d SE	Price
Safety and technology (cont.)							
Reversing Assist camera Activated automatically with Park Distance Control (PDC) when reverse gear is engaged, or by manually pressing the PDC button. Functions include camera zoom, covering the area around the (optional) towbar. Only with 606 / 609 and 508 / ZXA.	3AG	○	○	○	○	○	£285
Xenon headlights Gas discharge headlamps for both main and dipped beam, incorporating automatic headlight vertical aim control to maintain constant headlamp throw and headlamp wash.	522	○	○	○	○	○	£585
Seats							
Lumbar support, driver and front passenger Four-way electrically adjustable for height and degree of support.	488	○	○	○	○	○	£190
Seat adjustment – front electric with driver memory For driver and front passenger – electrical adjustment of fore and aft position, height, tilt, and recline. Manual adjustment of head restraints' height. Includes two programmable memory positions for driver's seat and position of door mirrors. Includes automatic dipping of passenger door mirror upon selecting reverse gear, for kerbside parking.	459	○	○	○	○	○	£835
Seat heating, front Three thermostatically-controlled heat settings via separate switch for driver and front passenger.	494	○	○	○	○	○	£225
Sport seats, front With manual adjustment for fore and aft position, height, recline, thigh support pad, seat tilt and headrests. Enhanced lateral support via pronounced seat bolsters and electric adjustment of seat backrest width. Included with 7G8. Not with upholstery EA.	481	○	○	○	○	○	£390

Services and Benefits.

Warranties

Every BMW registered is protected by a Dealer Warranty, which provides cover for 3 years’ unlimited mileage. In addition, every BMW is covered by an unlimited mileage, twelve years’ anti-corrosion warranty and three years’ paintwork warranty.

Full details of these warranties are available from your BMW Dealer and are provided in the BMW Warranty and Emergency Service Handbook.

BMW Emergency Service

BMW Emergency Service is the only roadside and assistance programme designed specifically for BMW vehicles offering an exceptional range of benefits and services. It is available 24 hours a day, 7 days a week and utilises a dedicated fleet of BMW Approved Technicians, equipped with Genuine BMW Parts and tools, ensuring that you and your vehicle receive the best possible care in the event of any motoring emergency. This tailor-made programme has been specifically designed to meet the needs of BMW drivers travelling in the UK and Continental Europe giving complete reassurance and peace of mind. Every new BMW is covered for three years.

BMW Magazine

Every new BMW customer receives a complimentary subscription to BMW Magazine. This lifestyle publication features all the latest news and developments from BMW, including interesting interviews, sporting news, travel experiences and art stories.

Finance and Insurance from BMW.

BMW Financial Services

Chances are, you’ve already decided on the BMW you want to drive. Now discover the perfect finance solution to get you behind the wheel. BMW Financial Services offers a range of tailor-made finance packages to suit you and your budget.

And to help you, at every BMW Dealership, there’s a Financial Services Specialist – a dedicated expert who’ll find the perfect solution for you. They’ll talk you through the options and help you come to the right decision.

Our comprehensive range of finance and insurance products include:

- **BMW Select (Personal Contract Purchase)**
- **BMW Hire Purchase**
- **BMW Contract Hire**
- **BMW Car Insurance**
- **BMW Home Insurance**
- **BMW Travel Insurance**

For details of your local BMW Dealer, please call 0870 5050 150. Further information on our finance products can be found at **www.bmw.co.uk**

Finance is subject to status and available to over 18’s in the UK only (excludes the Channel Islands). Guarantees and indemnities may be required. Finance is provided by BMW Financial Services, Europa House, Bartley Way, Hook, Hampshire, RG27 9UF.

BMW Car Insurance

Driving a BMW shows that you refuse to compromise on the quality of your car so why should your car insurance be any different? Designed for you, BMW Car Insurance offers cover that can help give you peace of mind.

Call BMW Car Insurance today on 0870 0240 520.

Lines open 8am – 8pm Monday to Friday, 9am – 5pm Saturdays. Max call charge from a BT landline is 8p a minute. Calls from other networks may vary.

BMW Car Insurance is underwritten by UK Insurance Limited. The Wharf, Neville Street, Leeds, LS1 4AZ, which is authorised and regulated by The Financial Services Authority.

BMW ConnectedDrive.

BMW ConnectedDrive provides telematic and Online services that are fully integrated with your navigation and Bluetooth telephone system. The services provide you and your passengers access to key information from within the vehicle, helping you keep safe and in touch.

Emergency 999 SOS call

The emergency SOS call provides a direct link to a 999 emergency call centre. This call can either be activated manually, or in extreme situations the sensors in the vehicle will automatically make the call and transmit your location to the emergency services. In either instance you can be assured that help can be despatched without delay.

Breakdown call

Roadside breakdown assistance is never far away because with BMW ConnectedDrive your vehicle will have a direct link to the BMW Service Centre. This link automatically provides the operator with your vehicle details and position so that a BMW Approved Technician can be despatched quickly and easily.

Information Plus

At the push of a button local information is available wherever you may be in the country, using the Information Plus service. The service is available 24 hours a day, seven days a week and connects you to an operator who will be able to quickly access the information you need. You can request places of interest, from hotels and restaurants to museums or historical attractions. The information is then sent to your car and can then be used in your navigation system to plan a route to your destination, or to make a call on your Bluetooth telephone.

My Info

As a BMW ConnectedDrive customer you will be able to access an internet website from where you, or others, can send information to your vehicle. Multiple addresses and telephone numbers can be sent to your vehicle, they can then be transferred into your navigation system or your Bluetooth telephone. Using the My Info service you can also send residential addresses or business listings via Google Maps. When you have found a place of interest or entered the address in the map, there is a send-to-car function on the website, this will send the address and telephone number to your vehicle.

Remote Services

Remote Services provides you with the facility to contact the BMW Service Centre, who can remotely lock or unlock your vehicle. You will be required to activate your vehicle and set-up your own personal security questions within the ConnectedDrive website. After you have set-up the service, should you be in a situation where you have accidentally locked your keys in the car, the BMW Service Centre will be able unlock your vehicle. Likewise, if you are not near your car and you cannot remember if you have locked your car, our call centre can remotely lock the vehicle for you.

Extended News and Weather

BMW ConnectedDrive provides you with access to a WAP-based browser which connects to the BMW Online portal. The portal displays the latest Weather forecast and Extended News stories from categories such as World, Business and Sports news.

My News

From your BMW Online portal, My News provides you with a selection of the latest news from internet sources, which can be defined as you desire. Through these RSS news feeds, titles and short summaries of news items from websites will be visible directly in the Control Display of your BMW. This gives you quick access to your favoured news topics and enables you to keep in touch.

Google local search

With the Google local search you can access location based information via Google Maps, from the BMW Online portal in the car. Information such as hotels and restaurants can be requested at the current vehicle location, navigation destination or at any other specific location. The content is taken directly from live Google Maps information. Search results appear in a list format, the addresses can be transferred into the navigation system or the telephone number can be transferred to a Bluetooth telephone. Some search results contain additional information such as opening hours, car park details or pictures of the location.

Routes*

With Routes you have the facility to import a route with multiple stop-off points into the navigation system. BMW Routes provides a number of default routes across Europe for you to import in your car via BMW Online. My Routes allows you to configure your own routes on the ConnectedDrive website. They can be saved onto a USB memory stick and you can import them directly into your vehicle. This provides you with the facility to plan a trip from comfort of your own home.

*Routes is only applicable to vehicles with 609 BMW Professional Multimedia Navigation system.

BMW ConnectedDrive website

As a BMW ConnectedDrive customer you will have access to an internet website with a route planner, traffic information and text message service. The website provides a link to your vehicle by allowing you to send information to your car. You can also modify your news links for My News, or set-up Remote Services for your car. Additional services such as profile settings and a handy help page are also featured.

A three year BMW ConnectedDrive subscription is included with every vehicle equipped with an optional navigation system (606 or 609) and Bluetooth telephone preparation with telematics (633). In conjunction with Bluetooth telephone preparation with telematics (633), unlimited use of BMW ConnectedDrive is included within the subscription.

In the UK ConnectedDrive services require a connection to a UK mobile telephone network. Services are not available on the Isle of Man or the Channel Islands. Some services are available in other European countries, refer to your BMW dealer for more details. Terms and conditions apply.

Aftersales.

BMW Service Inclusive

Wouldn't it be good to know all your servicing costs in advance? Well, that's exactly what BMW Service Inclusive provides. Once you have decided which of the options best suits your needs, you can simply relax, and look forward to enjoying care-free driving, courtesy of BMW Service Inclusive.

BMW Service Inclusive lasts for 5 years or 60,000 miles (whichever occurs sooner), so all you need to do is decide which option suits you best. BMW Service Inclusive – covering all your vehicle's servicing requirements or BMW Service Inclusive Plus which in addition to servicing also covers maintenance items such as brakes pads, brake discs and windscreen wipers.

Furthermore, BMW Service Inclusive is transferable to subsequent owners within the time and mileage period, enhancing the resale value of your car.*

*For further information please contact your local BMW Dealer.

Genuine BMW Accessories

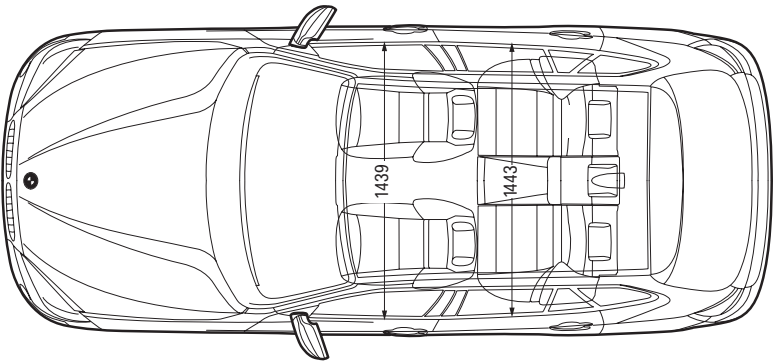

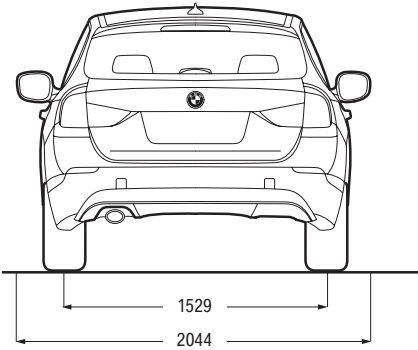

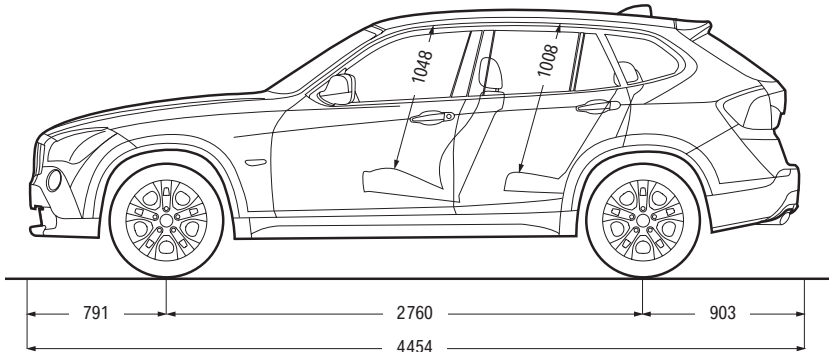

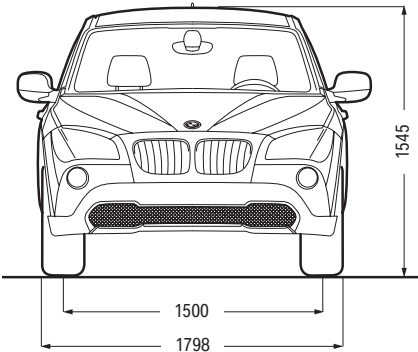

Your choice of car says a great deal about you. Genuine BMW Accessories allow you to make that statement even more personal. There's endless scope for personalising your BMW to suit your needs and style, with a wide range of accessories from exterior and interior styling to mobile communications, all of which have been designed to the same exacting standards as your vehicle. For further details on Genuine BMW Accessories for your BMW, please contact your local BMW Dealer.

BMW Lifestyle

The BMW Lifestyle Collection reflects the exclusivity and versatility of BMW design. This innovative product range demonstrates the highest quality in both materials and functionality. The extensive product portfolio includes clothing and accessories items such as miniatures, keyrings, leather goods, kids' mobility products, golf accessories and yachting products.

BMW X1.

All dimensions in millimetres.

¹ 0-62mph is equal to 0-100km/h.
² All BMW X1 engines comply to EU5 emissions standards. Fuel consumption is determined according to the ECE combined driving cycle in which approx. one third of the distance covered is in urban traffic and two thirds are extra urban driving. CO₂ emissions are measured in addition to fuel consumption.

³ The figure quoted includes a 90 per cent tank filling, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment may increase this figure.
⁴ The overall weight of the trailer may not exceed the maximum permissible trailer load plus the maximum permissible towbar download. Based at 12% / 8%.
⁵ Electronically limited.

Figures in () apply to vehicles with six-speed automatic transmission.
