## THE BMW 5 SERIES GRAN TURISMO. UNPARALLELED JOY.

At BMW, conventional boundaries are continually challenged. It is a progressive mindset that drives innovation, with often groundbreaking results. Like nothing before it, the BMW 5 Series Gran Turismo unites the strengths of existing vehicles for which BMW is already world renowned. Combining the elegance and prestige of a luxury saloon, the practicality of an estate vehicle and the versatility and spaciousness of a modern Sports Activity Vehicle, the Gran Turismo is the best of all worlds combined into one strikingly elegant and compellingly stylish BMW.

### BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO<sub>2</sub> emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW 5 Series Gran Turismo model at [www.bmw.co.uk/EfficientDynamics](http://www.bmw.co.uk/EfficientDynamics)
