# THE BMW X1.

## FOR A LIFE FULL OF POSSIBILITIES.

The BMW X1 is the ideal vehicle for anyone who wants to go their own way and live life according to their own rules. Ascending lateral lines, a long wheelbase and short overhangs combine to give its dynamic look and characteristic SAV proportions more impressive. The xLine and Sport models further allow you to create a vehicle as individual as you are with an exclusive range of exterior and interior trim variants. Impressive functionality and modern technology, like BMW EfficientDynamics and BMW ConnectedDrive, make it the perfect outdoor companion.

### BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO<sub>2</sub> emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW X1 model at [www.bmw.co.uk/EfficientDynamics](http://www.bmw.co.uk/EfficientDynamics).
