THE BMW Z4.

EXPERIENCE PURE JOY.

Tradition has dictated that a roadster is all about the drive. The BMW Z4, however, enhances this tradition by combining engaging dynamism with stunning design, luxurious comfort and effortless sophistication. It moves the roadster into new territory, where the elemental purity of the driving experience is enhanced by design that reaches unprecedented heights of dynamic elegance. Convenience and practicality have entered a new realm.

BMW EFFICIENT DYNAMICS.

EfficientDynamics is BMW's award-winning programme of technologies designed to reduce CO₂ emissions and improve fuel economy, without compromising on performance or driving dynamics. These technologies are standard on every new BMW and could lower your fuel and tax costs, as well as ensure a lower benefit in kind tax rating for company car drivers. You can find out more about the benefits of BMW EfficientDynamics, as well as compare your own vehicle against any BMW Z4 model at www.bmw.co.uk/EfficientDynamics.

Less emissions. More driving pleasure.
