BMW Group UK Corporate Communications team moves to Farnborough

- New office location and contact details from 24 November 2014

You may already be aware that BMW Group UK's national sales company will shortly be moving to a new office campus in Farnborough. The move also includes the company Corporate Communications team currently located in Bracknell. We will be packing on the 1st and 2nd December and moving in to our new office on the 3rd December so please bear with us during this period as we relocate and get settled into the new building. Whilst every effort will be made over the course of these three days to keep the disruption to a minimum, inevitably some will be unavoidable as the team transfers to the new office. Please use mobile numbers over this period if you need to get hold of someone in the team.

Please find below a list of all our new contact numbers – our mobile numbers stay the same. **Please note that all our landline numbers will change on Monday 24 November.**
