**MINI USA AND THE MINI JOHN COOPER WORKS RACE TEAM HEAD TO
SEBRING FOLLOWING AN ACTION PACKED SEASON OPENER AT SONOMA**

Groenke ready for Sebring after TCA class sweep at Sonoma

Woodcliff Lake, N.J. – May 3, 2024 – [MINI USA](#) and the [MINI John Cooper Works Team](#) are gearing up for Week 2 of the [2024 SRO TC America](#) series at Sebring International Raceway in Sebring, Fla. The team heads to the famed central Florida track known for its challenging surface after a action and drama filled weekend at Sonoma, where P.J. Groenke piloted the #62 MINI JCW to two first place finishes, sweeping the Touring Car A (TCA) class.

Joining Groenke this weekend are Cristian Perocarpi driving the #37 MINI JCW PRO and Scott Thomson in the #66 MINI JCW PRO, both competing in the Touring Car (TC) class. They will be joined by newcomer to the team Alan Grossberg in the #63 MINI JCW in the TCA class.

This weekend MINI USA and the MINI JCW Team will once again feature a special rooftop graphic on the roof of the #37 MINI JCW PRO driven by Perocarpi. This weekend Perocarpi's #37 MINI JCW PRO will feature a nod to the 60-year anniversary of the MINI's victory at Monte Carlo in 1964. MINI vehicles have long been known for having a highly visible white roof and in recent years still offers roof graphics and multi-tone roofs to support owner customization.

“The team is ready for everything the competition and Sebring have to offer this weekend,” said Luis Perocarpi, team owner, LAP Motorsports. “Sebring is tough on the cars and the racers but we have performed well there in the past and will be bringing that MINI racing spirit with us to the track.”

The team will look to ride the momentum of last season, when 21 year old Clayton Williams won his first Driver’s Championship in the TC class and the team was voted Crew of the Year for the series by the field of credentialed participants and competitors. Last season, then 20 year old Perocarpi took home seven podiums in the #37 MINI JCW PRO, including a second place finish at both Circuit of the Americas and Road America. Team veteran Groenke also took home three podiums in the #62 MINI JCW in the TCA class, including his first career win at Virginia International Raceway and third place finishes at NOLA Motorsports Park and Road America.

The MINI JCW Race Team finished the 2023 SRO TC America Series as runner up for both the Manufacturer’s Championship and Team Championship.

About the MINI JCW Team

The MINI JCW Team, operated by [LAP Motorsports](https://www.lapmotorsports.com), drives MINI’s most powerful Hardtop ever in the two-door MINI John Cooper Works Hardtop. The team competes in the fiercely competitive SRO TC America Series. For additional information please visit minijcwteam.com or email luis@minijcwteam.com.

About MINI in the US

MINI is an independent brand of the BMW Group. In the United States, MINI USA operates as a business unit of BMW of North America, LLC, located in Woodcliff Lake, New Jersey and includes the marketing and sales organizations for the MINI brand. The authorized MINI USA dealer organization is represented by a network of 104 MINI full passenger car sales and service dealers located throughout the US. MINI USA began selling vehicles in the U.S. in 2002 with the introduction of the MINI Cooper and MINI Cooper S Hardtops. Since then, the MINI brand in the U.S. has grown to encompass a model range of five unique vehicles.
